

MRS. LARRY ALLEN MOTH
Former Carol Faye Johnson
(Portrait by Seeman)

Newlywed Larry A. Moth Living in Waverly, Iowa

First Lutheran Church in Torrance was the scene of an afternoon wedding on Aug. 8, when Miss Carol Faye Johnson, daughter of Mr. and Mrs. Carl Johnson, 1226 Elm Ave., exchanged her marriage vows with Larry Allen Moth, son of Mr. and Mrs. Laurence Moth of Middleton, Wis.

Rev. William R. Oeder stood before the flower-banked altar to officiate at the ceremony as Howard Wood, organist, played the wedding marches and accompanied Edward Palmer, soloist.

Mr. Johnson escorted his daughter to the altar. She wore a satin brocade wedding gown, fashioned with a round neckline, long pointed sleeves and a full skirt which fell into a chapel train. Satin roses held the nylon tulle veil and she carried a bouquet of white orchids, roses and stephanotis.

Miss Donna Arrasmith was maid of honor and bridesmaids were Misses

Susan Saari and Lynn Moth. They were gowning in floor-length aqua satin and carried arm bouquets of roses.

Tom Megow stood as best man and ushers were Don Swanson and Van Miller, of Monroe, Wis. Acolytes were the bride's brothers, Dennis and Don Johnson.

After the marriage, 250 guests attended a reception at the church.

The couple spent a honeymoon in Southern California before going to Iowa to make their home.

The new Mrs. Moth was graduated from Torrance High school in 1960. She received her degree in elementary education last June at the Wartburg College in Waverly, Iowa. She will teach the third grade in Waverly this year.

Her husband, a graduate of the Middleton, Wis., high school, is a senior at Wartburg working on his elementary education degree.

The new address is 112 1/2 5th NW, Waverly, Iowa.

Bringing Up Baby

HINTS COLLECTED BY MRS. DAN GERBER, MOTHER OF 5

The undefined status of a toddler presents some problems to the mother. Neither all baby nor fully developed child, he needs more attention than the stay-out baby. Since he tries more things, there are bound to be more frustrations. Then too, the pressure to learn good behavior, plus the need to assert himself, make the toddler a bit unruly. Ways to ease these normal "growing pains":

- Extra tenderness to offset frustrations...extra patience at seeming perversity...extra guidance in all phases of development.
- Appetite delights for busy sprites. Year-old's appetites may lag a bit, primarily because the growth rate slows down. Easy way to continued meal-appeal... serve Gerber Junior Foods and serve 'em in goodly variety. Their extra-special goodness stems from the fact that they're "custom-cooked" to preserve natural colors and flavors and the utmost in nourishing food values. Seasoning is added with a knowing hand to suit a toddler's taste.
- New and appealing, too. Gerber Junior Apricots with Tapioca is made to tickle a toddler's pink. Filled to the hilt with flavor it's ready and waiting to be happily lip-smacked over.
- Nursery cue for you-know-who. A gallon plastic ice cream container, covered with gay wallpaper or contact paper, makes a nifty wastebasket for the nursery. Good way to help teach your toddler to pick up scraps after a bout of paper-playing.
- Winning combinations for up-and-at-'em toddlers: Gerber Junior Dinners. These special "casserole" dishes are especially delicious because they combine vegetables, cereal and meat for flavor to spare. There are such extra-special delectables as Chicken Noodle Dinner, Spaghetti with Tomato Sauce and Beef as well as Vegetables with Turkey. Just three of ten good-tasting Gerber choices.
